THE EAGLE VALLEY HUMANE SOCIETY

(Reprinted by special request.)

HISTORY: The Eagle Valley Humane Society is a fully accredited 501c3 organization established in 1973 to address the needs of homeless animals in Eagle, County, Colorado and the limited animal control services available at that time. Today the Humane Society retains its highly visible and respected role as the primary leader in public outreach programs that affect both people and animals.

MISSION: The mission of the Eagle Valley Humane Society: The prevention of cruelty to animals, the enforcement of animal cruelty laws, the relief of suffering among animals, the promotion of humane education, the facilitation of the adoption of homeless animals that are seeking forever homes, spreading community awareness of animal issues, and the prevention of pet overpopulation through spay and neuter programs.
